

# Training Course

“ *Manager of Protected Areas* ”

Module A – Castello di Otranto (LE)

2 November	Dott. Pinna	9.00 - 13.00	Ecology and biodiversity of dulciacquicoli habitat.
		13.00 - 14.00	<b>Lunch break</b>
	Dott. Pinna	14.00 - 17.00	Ecology and biodiversity of dulciacquicoli habitat.
3 November	Dott. Pinna	9.00 - 13.00	Biomarkers and biomonitoring.
		13.00 - 14.00	<b>Lunch break</b>
	Dott. Pinna	14.00 - 17.00	Biomarkers and biomonitoring.
4 November	Dott. Terlizzi	9.00 - 13.00	Biological characteristics of Natura 2000 sites.
		13.00 - 14.00	<b>Lunch break</b>
	Dott. Terlizzi	14.00 - 17.00	State of the art on the management and development of Natura 2000 sites in the area BIG.
5 November	Dott. Beccarisi	9.00 - 13.00	Ecology and biodiversity of terrestrial habitat.
		13.00 - 14.00	<b>Lunch break</b>
	Dott. Beccarisi	14.00 - 17.00	Ecology and biodiversity of terrestrial habitat.
6 November	Dott. <sup>ssa</sup> Sangiorgio	9.00 - 13.00	Ecology and biodiversity of transitional and coastal aquatic habitat.
		13.00 - 14.00	<b>Lunch break</b>
	Dott. <sup>ssa</sup> Sangiorgio	14.00 - 17.00	Ecology and biodiversity of transitional and coastal aquatic habitat.
7 November	Prof. Basset	9.00 - 13.00	Teaching activities in field with mobile laboratory and sampling of terrestrial biotic components.
		13.00 - 14.00	<b>Lunch break</b>
	Prof. Basset	14.00 - 18.00	Preparation and storage of samples.
8 November	Prof. Basset	9.00 - 13.00	Analysis of samples.
		13.00 - 14.00	<b>Lunch break</b>
	Prof. Basset	14.00 - 18.00	Use multiparameter probes and field instrumentation.
